

Did You Forget??

Federal Inspection last Friday witnessed one of the proudest, and one of the most degrading scenes on the OU campus. Some of the spectators evidently forgot where they were. They evidently forgot some other things, too.

They forgot, for instance, that our American flag is a symbol of our American ideals and beliefs, and that, as such, it deserves respect and courtesy. They forgot that our American flag symbolizes liberty, freedom and democracy, not only to Americans, but to people from all lands.

And in their forgetting, these people were disrespectful to the flag.

When the flag passed by, and the national anthem was played, they did not stand, nor did they discontinue their talking.

Whether this was due to forgetfulness, or, as Dean Jay B. McGregor remarked "attributable to ignorance," is a question by those persons guilty of this disrespect can answer.

We'd like to remind these persons of some of the things this means to them.

We'd like to remind them that fathers, husbands, sons and friends have given their lives in its service.

We'd like to remind them that the veterans they attend class with, fought and were injured defending this flag.

We'd like to remind them, that if it weren't for this flag and what it symbolizes, they would not be free to do as they choose.

We fervently pray that America and Americans will not have to lose this freedom and democracy before they realize and appreciate it. We pray that we will not lose our cherished freedom.

For there is a grim warning in the words of the French philosopher Rousseau when he said, "Free people, remember this maxim: We may acquire liberty, but it is never recovered if it is once lost."

Planning Committee Requests Student Center Room Costs

The Student Center Planning Committee has requested Charles Hoff, University Vice-President for Business Management, to release the approximate cost of room rentals in the proposed Student Union Building.

A written request asks that he determine the cost of renting a room which will accommodate 60 persons both on a nightly and on a yearly basis. The figures will be based on present construction costs. Rental figures will be made on the assumption first, that students pay a \$3 per semester Union fee; second, a \$5 per semester fee and finally a \$10 semester fee.

Hoff, who is in New York City on a business trip, was unavailable for comment this week. He will be contacted by the GATEWAY as soon as he returns for his answer to this request.

C. Glenn Lewis, chairman of the Student Center Planning Committee, said today that "Construction costs will to a great extent determine the cost of the building to the University and indirectly, the cost to the students for room rental."

Proposals concerning the Student Union for this school year include the following:

Dormitory facilities for 160 students will be at either or both

ends of the building. They will be in four units providing for 40 students each.

There will also be two guest bedrooms separate from the dormitory sections. Between the guest rooms will be a living room which could serve as a potential third bedroom.

Definite office space shall be assigned to the Student Council, Interfraternity Council and Panhellenic Council. Rent will be held to a minimum. There should be four large and three small rooms for organizational activities. Also an additional four small rooms for luncheons and dinner meetings should be near the ground floor cafeteria or the second floor service kitchen.

Closet storage facilities including file cabinets for 15 student organizations will be provided. One room will be devoted to file cabinets, an individual drawer of which may be rented by a student organization.

The present Bookstore will move from the Administration Building to the ground floor of the Union. There will be no substore in the Administration Building.

Alumni offices adjacent to a meeting room and a tentative allocation of 1,500 to 2,000 square

feet for student publications has been provided.

Dining facilities will include a cafeteria accommodating 500 people, a snack area accommodating 400 people and a faculty club room accommodating 150 people. There will also be location of serving facilities to enable food service in some meeting rooms. There is to be a minimum of two serving lines in the cafeteria.

A combination banquet room and ballroom which will accommodate 300 couples could also double as a lounge if necessary.

A lounge accommodating 100 students will be adjacent to the ballroom so it can be opened for added space if necessary. There will be two other lounges which will accommodate 50 persons each.

The recreational gameroom will have space for six ping-pong and six pool tables.

A checkroom accommodating 1,000 people will be located as near to the entrance as is convenient.

1959 has been tentatively scheduled as beginning date for building the Student Center, although it could be a year either way.

So far, there has been no final decision regarding student assessment.

Flag Is Emblem of Country; Deserves Respect of Citizens

The American flag is an emblem of the United States, and it should be given the respect of the heritage it symbolizes.

Representatives of 68 patriotic organizations met in June, 1923 in the nation's capitol to present 15 rules for flag etiquette for civilians.

The rules, now published in a flag circular by the War Department, state that whenever the flag is hoisted, lowered or passing in parade, "All persons should face the flag, stand at attention, and salute." Civilians should "remove headresses with right hand, and hold them at left shoulder," with hand over heart. Women should place their right hands over their hearts.

Civilian, Military Rules Similar

Civilians and persons in uniform must stand at attention, remove headresses, and face the music, whenever the National Anthem is played. Military personnel hold salute from the first note until the final note of the Anthem.

Military personnel salutes six paces before reaching the flag and holds the position six paces past the flag. The tribute is the same when the military is standing and the flag passes before them.

Vehicles stop at the first note of the National Anthem; passengers remain seated and the highest ranking officer dismounts.

The War Department states that proper display of the flag is from sunrise to sunset, unless authorities designate otherwise. During morning, the flag is raised briskly to the top of the flagstaff, remains a moment, and is then lowered slowly to half mast. This position is usually held until noon, then the flag is at full mast until sunset.

Flag Never Touches the Ground

The flag must never touch the ground. In lowering, the flag is folded into the shape of a cocked hat before removing it from the fastening.

The flag is never to be used as decoration or costume. When displayed at a speaker's platform, it is located above and back of the speaker, or in a staff at his right. The flag is placed to the right of the congregation in church. No advertising may be placed on the flagstaff; no emblem is to appear above the flag.

The American flag is placed in the center and above other flags. In processions, the flag is to the right or in the center front of other flags. It is always hoisted first and lowered last.

Students Plan Float Meeting

Float chairmen will meet at 1 p. m. Monday in Room 191 to draw positions for floats in the May Ma-le Day parade.

Chairman Brad Pence requests that chairmen, or an alternate representative must be present.

Deadline for Ma-le Day Play-Day game registration is 3 p. m. today.

The play-day will begin at 1 p. m. in Elmwood park. Games included will be boys' and girls' softball and volleyball, badminton, horse shoes, table tennis and bicycle relay.

Positions for the volleyball single elimination tournaments will be drawn for at 10 a. m. in the Fieldhouse Ma-le Day.

Honoraries Tap 21; Chi O, Theta Chi Win

Waokiya and Omicron Delta Kappa, honorary leadership societies, tapped 21 new members at the All-School Sing Wednesday evening.

Coeds taped for Waokiya are Gayle Anderson, Jean Bednar, Carolyn Chapman, Betty Ellsworth, Mary Jane Ackerman and Shirley M. Johnson.

Others include Marcia Morris, Virginia Niederluecke, Patricia Nolan, Beverly Pace, Arlyss Welch, Donna Wells and Nancy Weymiller.

New faculty Waokiya advisor is Miss Ellen Lord, Librarian.

Newly tapped members of ODK are James Erixon, Chuck French, William Graddy, Donald Hansen, David Langevin and Frank Pazlar.

Dr. Edwin Clark, head of the Dramatics Department, is the new ODK advisor.

Joanne Rentschler, president of Waokiya and John Haury, president of ODK, were in charge of the tapping ceremonies which took place on the University's front steps.

A combined banquet for all members of Waokiya and ODK is scheduled for tonight at 6:30 in the Faculty Clubroom. Initiation of officers for each group will precede the banquet.

Music Honorary Presents Convo

Phi Mu Alpha Sinfonia, national honorary fraternity, presented the Annual All-American Convocation Wednesday in the Auditorium.

Music of American composers was performed by OU students, faculty and friends.

Instrumentalists performed Dr. L. N. Garlough's trombone trio, "Prelude, Fugue and Stretto in F." Dr. Garlough is head of OU's Natural Science Department. Accompanists for the convocation were Barbara Murray, June Norton, Mrs. John Soubier and James Felton.

Dr. James B. Peterson, music department head, and Charles Rullman presented the Adagio from "Sonata for Violin and Piano."

Three Profs To Retire After Spring Semester

Three more members of the OU faculty, Professor Nell Ward, Mrs. Mildred Gearhart, and Leslie O. Taylor, are retiring after the spring, 1955 term. These three people have given 87 years, in total service, to the OU faculty and student body.

A graduate of the University of Iowa, Professor Ward came to OU in 1918 and retires as head of the Chemistry Department.

Mrs. Gearhart received her Masters Degree from the University of Iowa, and is an associate professor in English. She came to the University of Omaha in 1929.

Mr. Taylor, associate professor of education, received his degree from the University of Minnesota, and has been with OU since 1931.

Registration To Begin Monday for Classes

Registration for the first session of summer school and 1955-56 fall semester will begin Monday through May 17.

Registrar Alice Smith said schedules and supplies will not be available until May 9.

Seven hundred and fourteen students elected 12 representatives to the Student Council Wednesday. Voters in the all-school election represented the 1,000 students enrolled at the University.

Results of the sophomore, junior and senior Student Council elections were revealed late Wednesday. Names of two students elected to the Board of Student Publications were not released in time for publication in the GATEWAY.

Each class voted for two men and two coed representatives. The Board of Student Publications and Ma-le Day Princess, also elected Wednesday, were an all-school vote. The identity of the Ma-le Day Princess will be revealed at a special ceremony at the all-school holiday May 13.

Results of the Student Council election are printed below, the top two will represent each section:

All candidates appeared before their representative classes Monday to present their qualifications. The student caucus, resumed after several years, is still in an experimental stage. Students attending totaled 52; 11 seniors, 19 juniors and 22 sophomores.

By Your Choice

You say "The school is run by a minority—a few people have all the say." You say the Student Council isn't a fair governing body of the school because a majority of the students are not represented in it.

And, you're right! OU IS run by a minority. But that minority is a powerful faction of your own making.

YOU gave that minority its existence. You did it with indifference—that "I-don't-care-and-I'm-really-too-busy-to-be-bothered" attitude.

And now, YOU are griped. So you criticize the school, and the administration, and the student governing posts. You slam the election outcome, and you foresee terrible results from this student administration.

Suddenly, the day or the week after the election, YOU are no longer indifferent. Suddenly, the election becomes paramount in your mind and you are vitally interested and personally affected by it. Suddenly, you realize the grievous mistake made by the voters.

And, you criticize the voters. (That's safe to do because YOU weren't one of them.) THEY made a mistake. THEY actually put these people in office. THEY were wrong!

Yes, YOU'RE right! This isn't your government. It isn't yours because you didn't vote. And it's not yours to criticize or run down either. YOU have no part in this administration.

So the next time you begin a tirade on the results of the election, remember—it's YOUR fault. YOU didn't vote. jo

Dance Dream World Depicted by Orchesis

By Sue Moss

The Omaha University stage was transformed into a world of dreams Saturday night by the expressionistic modern dancing of Orchesis members.

Directed by Miss Marillyn Nass, the dancers showed adroit portrayal of the surrealistic, unconscious and realistic dream world. Their interpretations kept the audience constantly aware of the possibilities of modern dance as a means of expressing a variety of ideas and subjects.

Bondurant, Brandes Stand Out

The concert, entitled "Dream Fantasy," unrolled evidence of modern dance talent as well as ability to give a well-balanced program. Judy Bondurant and Marilyn Brandes deserve mention as group choreographers and stand-outs in several solo numbers. Miss Bondurant and Miss Brandes also received the Orchesis award for outstanding work in Omaha University modern dance.

Others showing outstanding ability in both solo and group dance interpretations were Gayle Anderson, Pat Burke, Pat Carlson, Betti Coleman, Janet Hanson, Pat Kavan, Joyle Miller and Judy Samuelson.

Humor Interrupts

Shirley Barnum, Pat Vorel and Nancy Weymiller added a touch of humor to the well-rounded program with their frequent "abrupt returns to reality" dance, "The Alarm Clock."

Phyllis Kuta offered an escape from the classroom and the boredom of everyday routine with her interpretation of "The Professor," by Jenkins. The professor's students included Judy Bondurant, Pat Burke, Annine Dinkel, Joyce Miller and Joyce Patrick.

TV Producers Open Contest

Three college students may win from \$250 to \$1,000 this summer.

Talent Associates, Ltd., the television producing and packaging firm, announced the first annual Talent Associates Television Awards competition. The contest will be for the three best original half-hour television plays by undergraduate students in any accredited American college or university.

Awards will be: \$1,000, first prize; \$500, second prize; and \$250, third prize. Deadline for entries is June 15, 1955. Judges will be three television dramatists, N. Richard Nash, Robert Alan Aurthur and David Shaw.

Contest inquiries should be addressed to Play Awards Editor, Talent Associates, Ltd., 41 East Fiftieth Street, New York 22, N. Y.

Library Functions Last of TV Series

The last Doors of Knowledge show of this year at 1:30 p. m. tomorrow will feature the Library.

Three aspects will be presented. The first is a discussion by Bruce Linton, speech instructor, of the function of a Library on college campuses.

A film will be presented on the need of growth and expansion of OU's Library. Miss Ellen Lord, librarian, and Kilborne Janecsek will present a description of the functions of the new Library and use a model of the new interior to show how it will work.

The wood model will be made by the techniques of broadcasting class.

Closing Cost Out Of Veteran Loans

Closing costs will not be included in Veterans Administration guaranteed, or insured loans any longer. The ruling went into effect Apr. 28.

The restriction will not apply to units for which the VA has already issued certificates of reasonable value, A. Westmoreland, VA manager, said.

Closing costs now will have to be paid in cash by the veteran at the time he takes title to his new home, Westmoreland stated. Closing expenses include title evidence (search) costs, hazard insurance premiums, prepaid taxes, recording and notary fees and the one percent fee required by the lender in lieu of other costs.

Johnston To Join Faculty at Arizona

Dr. T. C. Johnston, head of the College of Secondary Education, has resigned to join the faculty of the University of Arizona in Tucson. He will start his new job in September, 1955.

Dr. Johnston will be the educational administrator of the university. His duties will include instruction of secondary education principals, advisors and prospective superintendents.

Dr. Johnston explained he is transferring for "health reasons, and for professional advancement."

Heat Brings More To Cafeteria Line

What's been causing the recent increase in the length of the University Cafeteria line?

"Because the shack gets hot in spring more kids come to the cafeteria," explains University assistant food director, Mrs. Cathern Danielson.

Mrs. Danielson added, "This also increases our lemonade sales."

Also the cafeteria has introduced morning and afternoon clean-up periods.

During the two periods, customers are asked to leave while the floor is swept and the tables cleaned.

The morning period runs from 10:50 a. m. till 11:15. Afternoon cleaning comes at 1:30 p. m. till 2:15 p. m.

Most Teachers Placed

Dr. James Porterfield, Director of Teacher Placement, reports that the majority of June graduates in the education field have teaching positions.

"The situation is the same as before. There are more calls and openings than we can fill."

High School Students To Hear Choir Today

The University Choir will sing this afternoon at Westside High school.

They will give a full concert for the student body. This will be the last concert before the May 22 appearance at the City Auditorium.

Why do more college men and women smoke VICEROYS than any other filter cigarette?

BECAUSE ONLY VICEROY GIVES YOU A PURE, NON-MINERAL, NON-TOXIC FILTER WITH 20,000 FILTER TRAPS IN EVERY FILTER TIP!

1. Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.
2. Besides being non-mineral and non-toxic, this cellulose-acetate filter never shreds or crumbles.
3. The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.
4. Smokers en masse report that filtered Viceroy's have a finer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.
5. Viceroy draws so easily that you wouldn't know, without looking, that it even had a filter tip... and Viceroy's cost only a penny or two more than cigarettes without filters!

That's why more college men and women smoke VICEROYS than any other filter cigarette... that's why VICEROY is the largest-selling filter cigarette in the world!

Regent C. L. Kirkland Among Self Educated

Clarence L. Kirkland is the manufacturing executive on OU's Board of Regents. He has had a hand in many major Omaha businesses.

A native Omahan and graduate of old Commercial High, Kirkland went to school with two other regents, Senator Roman L. Hruska and George C. Pardee.

Kirkland is a self-educated man except for high school training. He went to work right after graduating without benefit of a college education.

Began As Secretary

Kirkland began work as a private secretary. Transferring to the Chevrolet division of General Motors, he was zone manager when the unit was disbanded because of W. W. II.

He then organized Omaha Industries, Inc., a group of plants joined to work on government contracts.

For the last 14 years, Kirkland has been secretary-treasurer of the Nagl Manufacturing Co., one of the largest brush factories in the country.

He is also president of United Industries, Inc., which has its home office in Omaha, a director of the Omaha Industrial Foundation and government regional advisor to small business.

Kirkland has been a regent since 1951. He is chairman of the Building and Grounds Committee and a member of the athletic committee.

Proud To Be Regent

"It has been a pleasure to work with such nice regents and fine administrators. I am very happy and proud to be associated with such an organization, faculty and student body."

Kirkland spent eight years on the Omaha School Board, two years as president, and was president of the Nebraska State School Board Association before becoming an OU official.

He and his wife, Josephine, have two children. Susie, who received a B. A. from OU, and John, who received both his Bachelors and Masters in psychology here.

Kirkland is also director of the Omaha Conference of Christians and Jews, the Cancer Society and the Rotary Club.

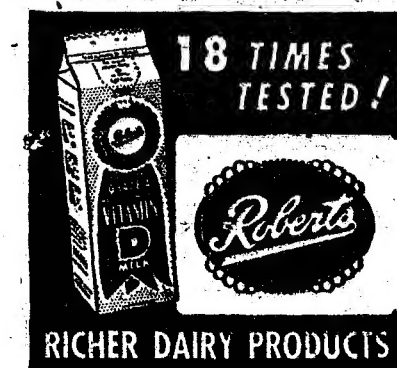

Store To Give Scholarships

More OU scholarships will be awarded by Hinky-Dinky Food Stores in 1955-56. The company's larger program of store internship will provide for one or more \$200 one-year tuition scholarships in the College of Business Administration. This report was made by C. M. Newman, scholarship committee chairman.

In addition to the scholarships, the company will guarantee each recipient 1,000 hours a year of part-time work to learn the food business at a Hinky-Dinky supermarket.

Pay will be at the regular scale. Applications are available at the University or Hinky-Dinky's general headquarters at Eleventh and Jones Streets.

Mr. Newman disclosed that the one-year scholarships are being renewed for the four OU freshmen who won in 1954 when the program was first started. The original winners are Elmer Hahn, Rodney Hansen, Stefan Gregory Jenkins and Leroy Arthur Katz.

Executives End Meet Today

Over 100 top executives in this area will end their two-day meeting today at the University.

Topics discussed at the third annual Business Executives Conference included "The Economic Outlook," "The Investor's Problems" and "The Significance of Debt in Today's Business."

Ernest T. Baughman, assistant vice-president for the Chicago Federal Reserve Bank, will speak tonight at a dinner at the Blackstone Hotel.

Main speakers at the conference are Dr. Dr. Arthur Upgren, Dean of the Amos Tuck School of Business Administration at Dartmouth College in New Hampshire, and Dr. S. Whitney Bradley, vice-president of Eaton and Howard, Inc., Investment Managers in Boston, Mass.

The conference is to inform local executives of recent developments and answer problems in the business field.

Panel To Speak At Women's Club

The Panel of Americans will appear before the Omaha Women's Inter-club Council at Omaha U. May 9. Moderator will be assistant education Dean Roderick Peck.

At 6:30 p. m., May 10, the panel will be at the American Legion Club for the Personnel Association of Omaha with history and government professor Paul Beck as moderator. University faculty members attending are Dean Jay B. MacGregor, speech instructor Alfred Sugarman and Gale Oleson.

Professor Sugarman will moderate the panel's last appearance for the Young People, May 22, at the First Central Congregational Church.

Students participating in these appearances are Becky Chartier, Barbara Davis, Al Fellman, Tom Mason, Carolyn Nevins, Elaine Sternhill and Kay Talty.

University of Omaha students interested in participating in panel activities should see Dean MacGregor, sociology Professor George Wilber or Professor Sugarman.

The summer use of water in the air-conditioner is 250,000 gallons per day. This includes lawn use. Cooking, drinking and washing needs use 16,500 gallons per day.

Summer Program Schedule To Top Previous Old Record

The largest program of summer classes is expected to be offered this year at the University. Twenty departments have scheduled over 150 courses.

Classes for the first five-week session will begin June 13. Prior to that, education courses offering three credits each, will be offered during intersession. This period, slanted especially to teachers from rural and county schools, is from May 23 to June 10.

The evening class schedule shows the biggest change for summer classes. Beginning June 14 and ending Aug. 4, classes will meet Tuesday and Thursday nights. Fourteen departments of the University will offer 25 evening courses.

The second five-week schedule of day courses will run from July 18 to Aug. 20. Six semester credit hours may be earned during either five-week session. Not more than 12 credits may be earned during the summer in addition to credits received during intersession.

Students may register beginning Monday until May 17 in the Registrar's office, or they may register from 8 a. m. to 4 p. m. June 11 or 9 a. m. until noon June 11 in the Auditorium.

Sales Executives Give Scholarship

A senior in the Business Administration College will be awarded a \$250 scholarship by the Omaha Chapter of Sales Executives for use during the 1955-56 school year.

The Sales Executives are a group of Omaha businessmen. The selection will be made by the Business Administration faculty from students majoring in sales and sales management. Other qualifications include high scholarship and leadership.

Seniors in the Business Administration College may apply for the scholarship.

OU Profs Take Office

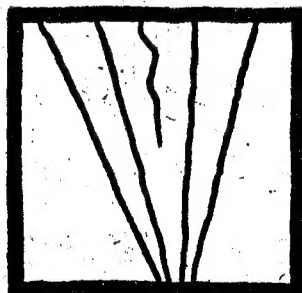

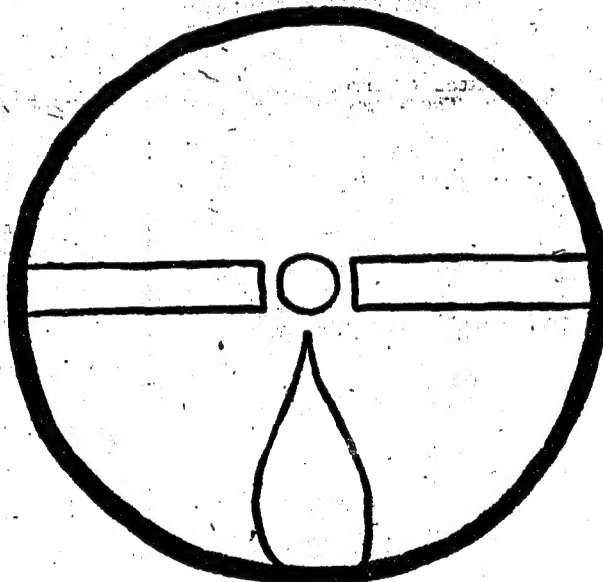

Clifford Ellis, OU Journalism Head, was elected secretary of the Omaha chapter of Sigma Delta Chi, professional journalism fraternity May 2.

He has also served as secretary of the Omaha Press Club for several months.

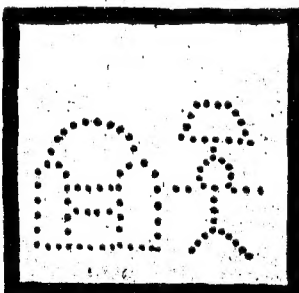

Another OU faculty member, Robert McGranahan, was elected treasurer of Sigma Delta Chi.

YOU GET MORE deep-down smoking enjoyment from Luckies than any other brand. The reason, plain and simple, is that Luckies taste better. They taste better, first of all, because Lucky Strike means fine tobacco. Then that tobacco is toasted to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, good-tasting tobacco to make it taste even better... cleaner, fresher, smoother. You'll enjoy the Droodle above, too; it's titled: Three on a match—Luckies, of course. Whenever smokers put their heads together, they agree you can't match a Lucky for flavor. PE Co-Sponsors Casting Tourney

OU PE Majors co-sponsored the city bait-casting tournament with the Omaha Parks and Recreation Department last night at the Fieldhouse.

Trophies were awarded to winners in each of four classifications: boys up to 12 years; girls up to 12 years; adults, and all-around, or an open group.

Contestants cast toward a series of ten bicycle tires trying for a possible total of 100 points awarded on the basis of the accuracy of their casting.

The University Administration Building was completed in the spring of 1938 and accommodated summer classes that year.

Kratky Reigns As '55 'Rose'

Carole Kratky was named 1955 Rose of Delta Sig at the fraternity's annual formal dance last weekend.

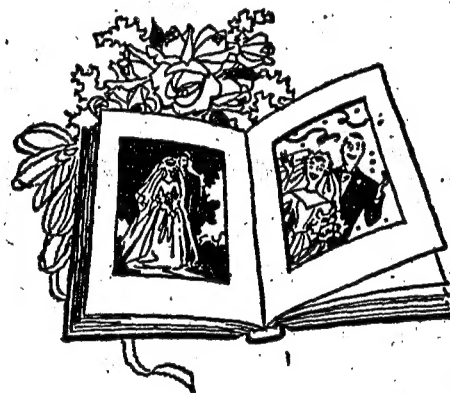

Carole, a member of Chi Omega social sorority, is a freshman majoring in business administration. She was presented a dozen red roses and a gold necklace, earrings

Queen Reigns At Coral Party

Gayle Chapman reigned as Buccaneer Princess of Coral Island at Phi Beta Chi's all-Greek Coral Dance last Friday at Carter Lake Club.

The Princess was selected by all-Greek vote.

Miss Chapman, a member of Chi Omega sorority, was presented a dozen red roses during intermission.

Gayle Chapman is named Phi Beta Chi queen.

All candidates for Buccaneer Princess were given compacts by the fraternity.

Other candidates included Suzie Jones, Zeta Tau Alpha; Janet Simonson, Alpha Xi Delta, and Sandy Stevens, Sigma Kappa.

Jim Trojough was over-all chairman for the dance.

Skeets Mahoney and his band played from 9 p. m. until midnight.

Sponsors were Col. and Mrs. John E. Asp, Mr. and Mrs. Robert Berueff, Mr. and Mrs. Clifford L. Ellis and Dr. and Mrs. Guenter Schmalz.

Guests included Dean and Mrs. Jay B. MacGregor, Dean and Mrs. Don Pfisterer and Dean Mary Padou Young.

Retail Club Holds Annual Elections

An election of officers was held by the Retailing club at the last regular meeting of the year.

Results of the elections include president, Ray Schulz; vice-president, Marilyn Herbes; and secretary, Bennet Nordell.

Other officers are Richard Acamo, treasurer, and Bill Greek, sergeant-at-arms.

A coffee hour followed the elections.

Guests at the meeting were recent retailing graduates Marilyn Rathke and Richard Goldman of Herzbergs, and Robert Rubenstein of Brandels and Sons.

Future Teachers Plan Coketail Party May 12

Omaha U's Future Teachers Association will entertain high school students interested in the teaching profession at a 4 p. m. coketail party May 12.

Ten students representing the high schools from the surrounding area are invited.

Girls To Elect Officers

Officers for next year's Angels Flight will be elected at the regular meeting Wednesday at 5:30 in Room 191.

The Flight Commander and her staff will nominate candidates for the offices, and the entire flight will cast votes in the final election.

Sororities Salute Mothers at Teas

Teas and parties make news this week as sorority teas given in honor of mothers highlight Sunday afternoon activities.

Alpha Xi Delta

Alpha Xi pledges and new initiates gave a "scholastic" picnic for actives last Sunday.

Actives obtained a higher overall average for first semester grades.

Chi Omega

Chi O's mother-daughter banquet was last Sunday at the Black Mirror Room of the Fontenelle Hotel.

President of the Chi Omega Mothers, Mrs. George Stride, presided. A toast to daughters was proposed by Mrs. Winfield Smith, mother of a Chi O alumna; and Betty Ellsworth proposed a toast to the mothers.

Special guests were the sorority's advisors, Mrs. John Adams, Mrs. John Gustafson, and Miss Margaret Killian.

Zeta Tau Alpha

A Mother's Day Tea will be given at the home of Marilyn I. Jones from 2:30 p. m. until 4:30 p. m. Sunday.

Chairmen for the afternoon are Miss Jones, Mary Renna, and Barbara Watts.

Students To Help With Cancer Drive

Volunteers from campus organizations will participate in the Cancer Drive May 12 through 15.

This year the usual "Lights On" campaign will be substituted by a "Neighbor-to-Neighbor" plan of solicitation. An envelope left May 12 on the corner house of each block will be sent around the block by neighbors and collected May 15.

Organization presidents have been asked to contact Dean Don Pfisterer in the Dean of Students office this week.

Last year the OU volunteers collected \$933.

Five Candidates Seeking '55 Title At 'Joe College' Dance Tomorrow

Joe College candidates await the final announcement. They are (l. to r.) Sam Marasco, John White, Bill Beindorff, Jim Sorensen and Bill Feddersen. Not pictured is Joe Slavik.

The Joe College Dance, sponsored by Feathers, women's pep organization, will be tomorrow evening on the front steps of the University Administration Building. Music will be on record from 8 to 11 p. m.

Dean Mary Padou Young will present Joe College during intermission ceremonies at the all-school dance.

Candidates for the Joe College title include Bill Beindorff, Sigma Phi Epsilon; Bill Feddersen, Lambda Chi Alpha; Sam Marasco, Theta Chi; Joe Slavik, Phi Beta Chi, and John White, Pi Kappa Alpha.

Activity tickets will admit to the dance. Vote will be cast upon the showing of one activity ticket per person.

Tables and chairs will be provided for those attending and will be placed around the dancing area.

Avice Hill and Nancy Hodgens are co-chairmen of the dance. Darlene Buckingham, past president of Feathers, will be mistress of ceremonies.

Mardee Martin and Jody White are in charge of music arrangements, while Betti Coleman and Marilyn I. Jones have charge of checking activity tickets during the voting time.

The University maintains paved areas for over 1,000 cars.

Catholic Student Organization Plans 'Get Acquainted' Meet

A meeting of the Newman Club, organization for Catholic students, will be 5:30 p. m. Monday. The purpose of the meeting will be to acquaint students with each other and the basic ideas of a Newman Club, according to temporary president Pat Heftl.

Faculty sponsors are Margaret Killian, home economics instructor; and Major Jack Burnett, AF-ROTC.

The Rev. J. Donald Bartek, assistant pastor of St. Margaret Mary's church, has been appointed chaplain of the club by Archbishop G. T. Bergan.

Elections will be scheduled for a future meeting of the group. Until then Miss Heftl will serve as president.

Miss Killian will speak to the group on "How the Newman Club Fits into Campus Activities."

Mrs. Mildred Gearhart To Close Career at OU

Ted Romberg Rates 'First' In OU Music Department

A teacher who has served the University of Omaha for a quarter of a century will retire this year from the University faculty. She is Mrs. Mildred Gearhart, associate professor of English.

Mrs. Gearhart has been in activities outside the classroom as well as in during her 25 years at OU.

She sponsors Alpha Lambda Delta, freshman women's scholastic honorary, Waokiya, senior women's leadership honorary, and Sigma Kappa social sorority.

Graduate of Iowa U.

Mrs. Gearhart was graduated from the State University of Iowa. She also received her Master's Degree there. She spent a year and two summers at Emporia State Teacher's College, Emporia, Ill., before becoming a member of the OU teaching staff. Mrs. Gearhart specializes in romantic and Victorian poetry, contemporary drama, and the short story.

Looking back over her teaching career, Mrs. Gearhart feels that she has been rewarded in many ways. Primarily, it is the students themselves who have made her proudest of her work.

Recalls OU Progress

Mrs. Gearhart has seen the University's progress over a 25-year period. "It's been a long time since professors used their cars for offices," she commented. "That was before the present site of the University had even been chosen."

"But the change has been more than physical," Mrs. Gearhart explained. "The thing that is impressive is not so much in what is now being done, but in the dignity and tone which now accompanies University progress."

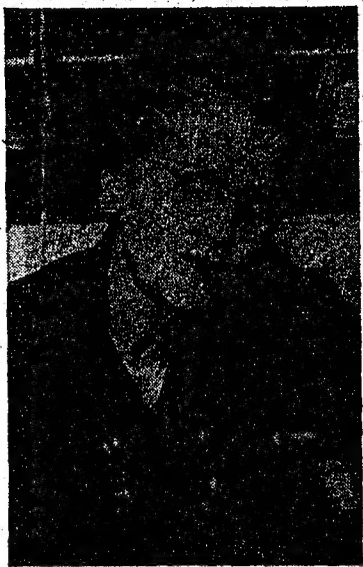

Building, Grounds Boast Loyal Fan

One of the most active and energetic individuals in the Building and Grounds Department is working for no salary at all!

"WHY should I be paid for doing my favorite sport — running pell-mell from one end of the campus to the other several times every day!" stated this amazing individual.

In case you're wondering, this is Butch, the little black and white dog seen following Henry Harder, a legitimate member of the Building and Grounds staff, on his trips around the campus! Every morning and evening, Harder piles Butch into the car and off they go!

All the cooling and watering needs of the school are filled from two wells in the ground.

Mrs. Gearhart . . . followed OU's progress.

Omaha U Has One Soundproof Room

On the third floor, tucked between the large psychology room and the stairwell, is a small soundproof room.

Such a room is standard equipment in a children's clinic but OU's "quiet" room has become the special office of Dean of Arts and Sciences William H. Thompson.

Dean Thompson uses the room as a sort of retreat where he can work in complete silence away from the general noise and clatter of a University in full swing. The room is equipped with a telephone but the phone connection can be turned off if desired.

Sound waves spread out like ripples in a pool of water so the room was built with a special entrance which breaks sound. In addition the walls and ceiling of the room are covered with cork soundproof boarding.

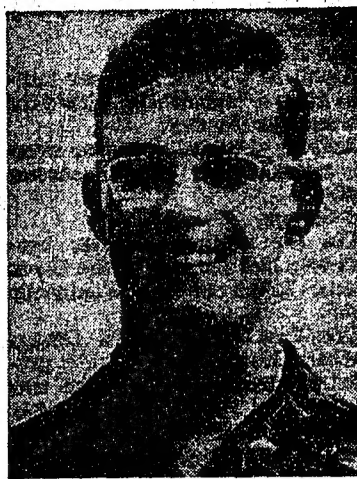

The little room is in use constantly, said Francis Edwards, head of the child clinic. It is used as a place to make records of children's voices and speech defects. It is also used as a testing room where children can work with a minimum number of outside distractions.

Ted Romberg is a FIRST at Omaha University.

The first student to give a vocal recital at the University, that is. Under the direction of Richard Brewer, director of vocal music, Romberg presented a program of 17th Century Italian, oratorio, German Lieder, operatic and American music. The recital was given Apr. 13 in the University Auditorium.

As a music major and choir soloist, Ted has been heard in most of the school's musical presentations since his sophomore year. After serving as vice-president of the University Choir last year, he was elected president for the 1954-55 term.

Leading Ted's fans is his wife,

Ted . . . a first at OU.

Ruth Waschinek Romberg, also a senior music major at OU. Ted has been married almost five months.

Ted doesn't limit himself to musical activities, however. He is vice-president of the senior class and a member of Omicron Delta Kappa, leadership honorary. He is also a member of the University Band and the Madrigal Singers.

He attended ODK's national convention in Louisville, Ky., two weeks ago. Ted and Ruthie were co-directors of Wednesday's All-School Sing.

In past semesters, he has served as president of Phi Mu Alpha Sinfonia, music honorary; secretary of Pi Kappa Alpha social fraternity; and vice-president of Pi Kappa Delta, debate honorary.

Spunky, Real Gone Cat

By Marvin Lincoln

Spunky was strictly a stay-at-home cat until the wanderlust seized him.

Then he went on a ten-day jaunt that upset a family routine and gained city-wide publicity.

Spunky, seven-year-old cat of Joyce Minter, business administration instructor, escaped from the Minter home last month and meandered about incognito for a hectic ten days.

Never Out of the House

A very friendly and pretty orange and white Persian, Spunky was strictly a house cat. He was never allowed out of the Minter home in his life.

One day recently Miss Minter was doing some painting and rearranging of house furniture. She opened a window and Spunky — for some yet unexplained reason — decided to explore the wide-open spaces and bounded through the window.

Miss Minter said another pet — Kate, a dachshund — made a desperate attempt to tell her master of the escape, but was left speechless.

The elusive feline was gone two and one-half hours before Miss Minter was aware of his disappearance. When it was time for Spunky's nightly ten o'clock snack and she failed to show, Miss Min-

teer began to worry.

She searched the neighborhood thoroughly and called repeatedly, but to no avail. Next day she alerted the neighborhood children, and placed an ad in the paper.

An announcement was even made over television; but none of the publicity brought results. Spunky was a real gone cat.

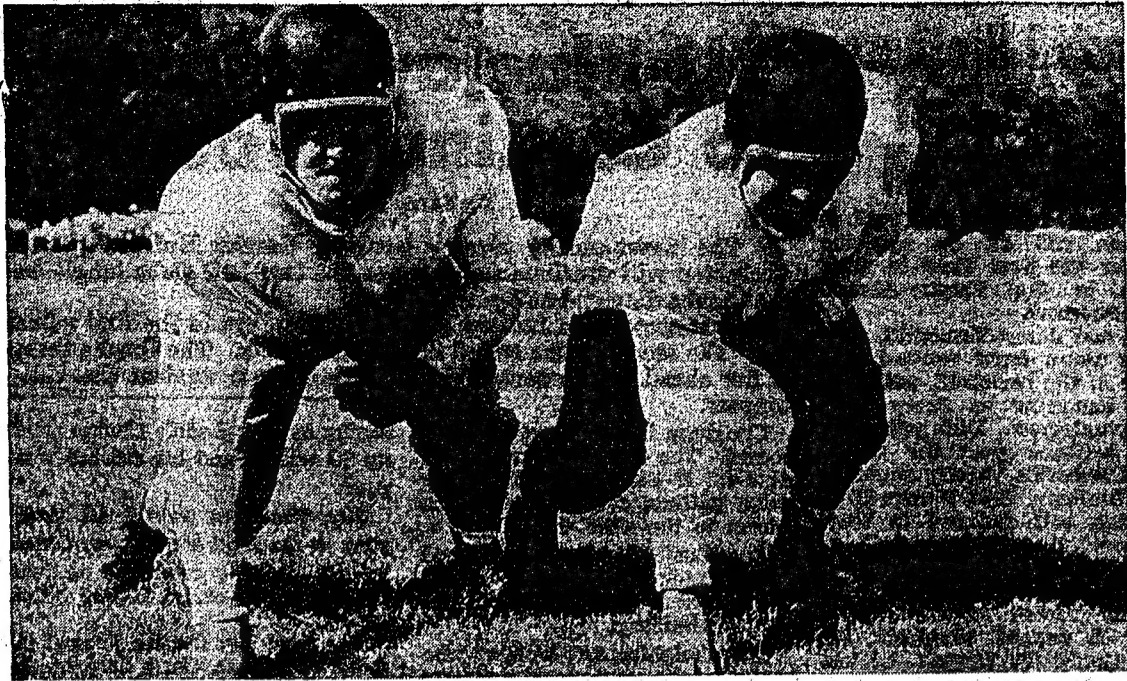

Miss Minter and her family still harbored hopes for the cat's return, but nothing was heard of him. Ten days later, Miss Minter's mother claimed she heard a cat outside at three in the morning.

Home Again

A quick check showed it was the adventurous Spunky — dirty, haggard and worn. The only signs of his excursion, Miss Minter related, were that the cat was thin and the pads of his feet were cracking and peeling — evidence of considerable travel, she explained.

Spunky was thoroughly contented to be back home, Miss Minter said. It took him about a week to get back to normal routine. The whereabouts of his outing is still a mystery. "The cat is very close-mouthed," Miss Minter said. "He refuses to tell us a thing."

And until Spunky decides to divulge his secret, it will remain one of those mysteries peculiar to that strange world of the cat.

Two of Cardwell's new tackle prospects, Ken Leeper and Frank Ruvolo. This team is at least 500 pounds of striking power.

Harper, Smith, Cotton Lead OU

By Bob Henkel

Coach Lloyd Cardwell announced this week that three Indians will captain the varsity in their game Saturday with the Alumni. Co-captains are Dick Cotton, Tom Harper and Arnie Smith.

1955 Team Captain Ed Baker will not play in Saturday's game because he still wears a cast on his left arm from an injury last season.

Cardie said that Bob Wheeler, Indian halfback is through with football until fall. Wheeler re-injured his knee in practice last week.

Prospect of hot weather promises an exhausting day for both teams. Should the air be hot and moist both teams will be slowed, particularly the Alumni.

Alumni in Good Shape: Brock

Cardwell had his squad hard at work all this week in preparation for the contest. Line coach Tom Brock commended several varsity players. Brock said the team is in surprisingly good shape for this time of year. Taking Ed Baker's place at left tackle will be Frank Ruvolo. Ruvolo is a North High grad who enrolled at OU this semester.

Starting line for the Indians will probably be Ruvolo and Marv Nevins at tackle, Dick Cotton and Howard Baker at end. Frank Hahn and Simon Simon at guard, and Tom Harper at center.

Cardie hasn't named his starting backfield yet, but he'll probably go with Bill Engelhardt, Bill Steck, Pete Rigatuso and Arnie Smith.

Alumni player-coach Joe Arenas has 30 men practicing. His line will be very big with huskies like Rich Moscrey, Tom Cannia, Steve Marinkovich and Rene Hivac slated for duty. Starting backfield for the Alumni will be Freddie Aboud, John Potts, Emil Radik and Arenas.

Varsity Should Repeat

The Alumni will probably have

OU Golfers Meet Drake U to Begin Four-Match Week

Omaha University golfers face a busy week ahead. A match with Drake this afternoon begins a four-match barrage. The Indians are on the road this weekend, playing Grinnell Pioneers tomorrow after their match at Des Moines.

Then on Monday they play their first of two home matches that week with a match with Midland College. Wednesday the Nebraska Cornhuskers golf squad travels with the tennis squad to Omaha for an afternoon meeting.

OU Wins Two Triangulars

Indian golfers made it two triangular victories in a row last week to up their season record to seven wins and two losses.

Last Friday Big Seven schools didn't score OU as they piled up 17 points to 14½ for the University of Colorado and 4½ for Kansas State.

Monday OU scored 20 points to run over Hastings 13½ and Doane 1. Both triangular matches were played at Happy Hollow.

Shinrock Medalist with 75

In the first match Kent Poore of K-State was medalist with 75. Low for OU was Fred Shinrock with 76. Jerry Norene was the standout man for the Indians in the meet with 3-0 victories over both opponents.

Against Hastings and Doane, Norene was again tops, as he won both matches 3-0 and posted 74 over a par 71 course. Gary Blake-man came in second with 77. Fred Shinrock and Dean Wilson scored 78's for 3-0 victories.

Indian Tennis Team Win Sixth in A Row

Gerdeman First Drake Winner In OU History

Squad Meets Grinnell Today

By Jerry Fricke

Track Coach Ernie Gorr took seven cindermen to the Drake Relays last weekend and proved to some of the top college and universities in the nation that Omaha University is looming as a small college track power.

Gerdeman Wins 440

Junior Bob Gerdeman surprised himself as well as 15 thousand spectators on the first day of the Relays by winning the 440-yard hurdles over some of the top runners in the nation. His clocking of :55.7 was just a little better than a second off the Relay's record.

The sprint medley relay quartette consisting of Bill Barnes, Bob Gerdeman, Dave Seals and Bernie Lainson placed fourth behind the record breaking foursome from Emporia, Kans. The Indians unofficial time of 3:30.6 was six seconds under the OU record.

Mile Relay Runs Fifth

The mile relay team placed fifth in equally rough competition including Abilene Christian from Texas. The team of Gerdeman, Larry Means, Bob Barnes and Lainson ran the event in 3:20.4. The existing OU record is 3:25.6.

Coach Gorr was quite pleased with the performances of the men and gave special praise to Gerdeman. The sprinter from Iowa gave Omaha its first Drake Relays winner in history and ran three 49-second 440's to help the relay teams.

The telephone rang, and a sleepy, unnamed OU professor answered. A feminine voice queried. "Where are you, we're waiting for our final examination?"

After recovery, and a few un-professor-like exclamations, the conversation ended.

Omaha U netmen play their second match of their Iowa road trip, when they travel to Grinnell, Ia., this afternoon for a match with the Grinnell College Pioneers.

Grinnell won three out of their first four contests this season and figure to be tough. In 1954 Grinnell dropped Omaha by a score of 6-1. Thursday OU played the Drake tennis team at Des Moines.

Next week University of Nebraska netmen come to Dewey Park for a match with the hot Indians. Gerald Perry's team is rolling along in fine shape. Boosted by the fine play of Bill Berg and John Dervin, the Indians have won six matches and dropped only one.

Indians Blank Five Foes

The Indians rolled to their sixth straight victory and fifth shutout, when they defeated Doane 6-0 at Dewey Park Monday afternoon.

Doane proved to be little competition for the Indians, as they lost all matches in straight sets. One doubles match was not completed because time ran out.

Winterset Presses Berg

Hastings showed more strength than Doane, but OU power proved too much for the Broncos. Bill Berg had to go two extra games to win the second set from Dick Winterset, Hastings' number one player.

John Dervin, Don Fisher, Bill Feddersen and Helmuth Dahlke scored easy victories to sweep the singles matches for OU.

The doubles were the same story, with Berg and Dervin, and Feddersen and Fisher taking their matches.

Soo City Relays Today For Omaha U Cindermen

By Don Digillo

Coach Ernie Gorr and a limited track squad is at the Sioux City Relays today. The whole squad will travel to Simpson College at Indianola, Ia., for the last meet until the NAIA qualifying trials at Kearney, the end of this month.

The mile relay quartette is hoping to win for the third time and retire the Dr. Saunderson Memorial Trophy. Also competing will be 880 and sprint medley teams.

Bernie Lainson will be gunning for the University mile record in the meet against Simpson.

One of the best groups of runners in OU history racked up two victories, two second places and three third place medals at the Doane Relays Tuesday.

The mile relay quartette of Bob Gerdeman, Larry Means, Bob Barnes and Bernie Lainson shattered the meet record as well as the Indian mark in the mile relay. The Indians ran a blistering 3:21.7, four seconds better than the previous Omaha track record.

The same foursome came back 25 minutes later to rack up a close second to Kearney State Teachers. Gerdeman again proved his consistent ability by running two.

Bill Barnes, who's constant treks to the victory stand wear him out more than his running, topped the 120 yard high hurdle field. Lloyd Hunter was eldged for second place.

Jensen was a pleasant surprise in the 880 relay. He grabbed the baton in fourth place, and picked up valuable yards to pass off to anchor man Bill Barnes in second.

High-jumper Roger Dunbier showed fine form, clearing the bar easily, but had trouble with his trailing leg, and had to settle for a third place tie with Don Vyh-nalek of Doane.

Tannahill Brothers Opponents First Time in Football

Two Omaha University football standouts will be on opposing sides for the first time in their careers in the Varsity-Alumni clash tomorrow.

Dick and Jerry Tannahill, who for six years have worked side by side in the backfield, will split forces tomorrow as Jerry joins the Alumni crew. Dick will handle a halfback post for Coach Lloyd Cardwell's Varsity squad.

The brothers, 1951 North High graduates, both lettered in football, baseball and basketball at the Viking school.

Jerry has carved an impressive four-year record in Omaha U. sports. A rugged wingback for Coach Cardwell's elevens, he has amassed four gridiron letters in addition to three in track.

Dick is a two-year letter winner in football and has also participated in baseball. He attended Kansas State University his freshman year and gained a baseball letter there.

Two other brother combinations will be on opposite sides of the line Saturday. Dave Bell, 225-pound Indian end, will oppose brother Tom, a 1954 graduate. Frank and Charlie Mancuso will face each other for the second time from the guard positions.

OU-Bluejay Rivalry To Continue Today

By Larry Means

The never-ending rivalry between Omaha University and Creighton will continue today when the two ball clubs tangle on the Omaha diamond at 3 p. m.

Last season the Indians edged the Bluejays in the first game 6-5. The second game ended in a 2-2 deadlock. The Omaha team is far ahead in the series history win column against the Hill-toppers.

Creighton is now sporting a 6-3 record. The Omaha record stands at 4-4. If the game follows the usual pattern, fans can expect a "down to the wire" finish.

The Bluejays will probably send Fritz Stanek to the mound. Omaha is expected to start ace right-hander Chris Salberg.

The Creighton left-hander, who major league scouts have their eye on, always pitches his best against the Indians.

Coach Virgil Yelkin feels that a solid win by the Indians today could be just the boost the team needs to start a winning streak.

Iowa State Teachers handed the Indian baseball team a double defeat on April 29 and 30, 15-2 and 7-4. It was the third and fourth defeat for the Indians against four wins.

John Cimino, starting Indian pitcher, didn't have his usual control and was relieved in the sixth

inning by Bob Ladd. Cimino gave up 10 walks, and his defense was poor.

The Teachers scored all their runs in the first six innings. Omaha got its only two runs on two hits and two errors in the third inning.

The next day Omaha jumped to a 4-2 lead with Chris Salberg on the hill. But two bad innings filled with errors, gave the Teachers five runs.

With OU loading the bases in the ninth inning, Indian pinch-hitter John Welch fanned, to end the Omaha rally.

On April 28, Stan Schaetzle pitched the Omaha team to a 5-0 victory over the Drake Bulldogs. It was 1-0 to the eighth inning. Then Omaha exploded for four runs to ice the game. Outfielder Bob Wheeler led the Indian attack with three for four.
